

A Howling Experience - Weekend Deity Quest

Written by Arithon Moergen

Saturday, 27 August 2016 13:35 -

"You find yourself beneath Kabu's Ancient Cemetery in the caves of terror. You sense yourself traveling deeper in the caves until up a head you hear the growl of a beast. Something huge crawls out of the Crevasse and lumbers towards you."

(This weekends Deity Quest will require a character level 36 to 40 to obtain the quest)
